

Racecar Neckerchief Slide

Materials:

- Spring-Type Clothespin
- 3/8 inch dowel (cut into 3/4 inch wafers)
- Plastic or Wooden Bead
- Glue
- Markers
- 1/2 PVC Pipe (or Film Canister)

Instructions:

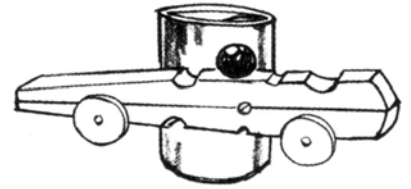

- 1) Take apart clothespin
- 2) Glue flat sides together
- 3) Glue on dowel pieces for wheels
- 4) Glue bead on for driver
- 5) Decorate car with markers if desired
- 6) Glue to PVC Pipe or Film Canister

** Wrap piece of paper around canister or PVC if the glue doesn't stick!
